Trusted  
Clients**

## From Trusted Clients

“We always listen to the needs of our customers that align to our work. This may not be directly communicated, it also comes through as questions and side requests”

***Ernest Mdluli, ACERO Steel Frames***

## From Trusted Clients

“Due to our specialised machinery and limited stock, acquiring funding is quite a strenuous activity, however with IDCE, they had the confidence to trust our vision”

***Maxwell Mkhombe, E M Loggers***
