

**Asking
yourself...**

IS IT WORTH THE

RISK?

Before applying,

You might want to consider:

Purpose of Loan

Is borrowing the best solution for you, or is there a better way to finance your growth?

Financial Health & Stability

Can your business afford the repayments without straining your cash flow?

Loan Amount & Repayment Plan

Do you have a repayment strategy even if the business faces a downturn?

Business Plan & Growth Potential

How will this loan contribute to your growth or sustainability?

IS IT WORTH THE
RISK?

Before applying,

You might want to consider:

Creditworthiness & Eligibility

Is your credit history in good shape?

Impact on Operations

Will the loan affect your daily operations?

Lender Selection & Loan Terms

Have you compared different lenders and read the terms thoroughly?

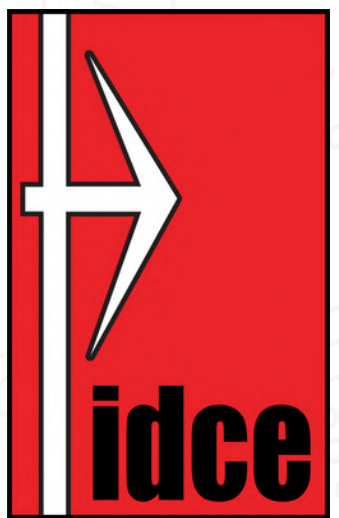

Exit Strategy

What happens if business conditions change? Do you have a backup plan for repayments?
